

ADVANCED CERTIFICATE IN CHILDREN'S MENTAL HEALTH TREATMENT

Rubric for Final Paper

TOPIC:

(1) Choose a specific mental health issue (*i.e.*, anxiety, depression, grief, trauma) and contrast the treatment of adult populations with that of working with minors (including neurological differences); (2) describe a minimum of 5-10 clinical interventions that would be appropriate for children and/or teens afflicted with your chosen clinical presentation; and (3) delineate specific consent and confidentiality considerations when working with minors (within the parameters of your specific country/state/province and your unique licensing body)

REQUIREMENTS:

- 5-8 page
- Single-spaced
- 2500-4000 words
- APA Formatted
- Your paper must incorporate findings from your course work with ICP as well as 15 citations from evidence-based, academic sources (*i.e.*, journals, books) no older than 10 years.
- Papers are to be submitted in a word document to: info@instituteofchildpsychology.com
